

Trustee Application Form

About Share and Repair

Share and Repair is a small, but fast-growing charity in Bath and North East Somerset. Our aim is to help local people and communities reduce carbon, waste and landfill to improve the environment we live in and save money.

We create opportunities to reduce, repair, reuse and learn. We do this through 5 projects using 3 full-time equivalent staff and over 250 volunteers: : Repair Sessions and Cafes that offer affordable mending; sharing resources through a Library of Things; HOW TO workshops and Schools' Workshops and HomeKIT, a programme that provides low income families with small electrical items for their new home.

We are a catalyst for change through practical action and education and want to make 'sharing and repairing' easier than Amazon.
